

**Chicken with
Turkey, Salmon, Sweet
Potato and Carrot
for Puppies**

Natural Selection

Grain Free Range

The **Grain Free** range includes a selection of the finest freshly prepared nutritious and highly digestible animal protein sources. The range has been formulated with sweet potato and potato to be suitable for those with grain intolerance/sensitivity.

Why Chicken?

Chicken is a lean protein source rich in essential amino acids. It is also a good source of vitamins & minerals including B vitamins and iron which help contribute to overall health and well-being.

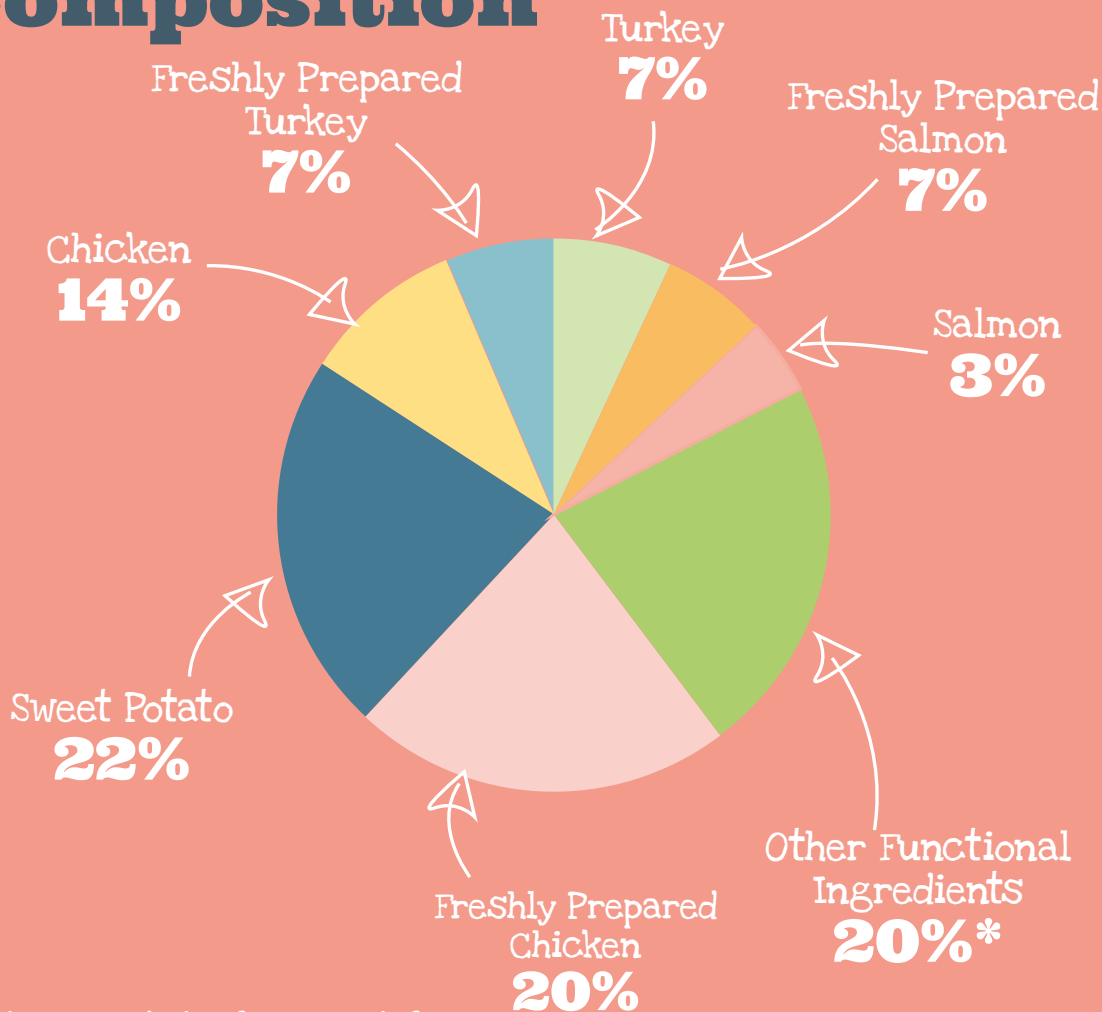

Why Carrot?

Carrot is known for being a good source of vitamin A in the form of beta carotene which helps support eye health and vision.
